MVS ICT & Telecom

Weekly Presentation

Presenter: Danish Akbar
Position: IT Support

M V S ◆ WEEKLY OPERATIONS
Weekly Progress & Next Steps (Week 45)

◆ MVS ICT & Telecom Web Portal — ✓ LIVE & DEPLOYED

- **Live at portal.mvsksa.com:** Successfully deployed on Hostinger cloud infrastructure with active SSL encryption.
- **Role-Scoped Dashboards:** Dedicated workspaces for Executive Command Center, Project PMs, and Commercial Sales.
- **Excel-Exact Reporting:** Real-time PO realization, milestone invoicing lifecycle, and cash collection tracking.
- **Automated GitHub CI/CD:** Connected repository for seamless real-time production deployment.

◆ Salam CCS — KPI Framework — • IN PROGRESS (30%)

- **Operational Data Received:** Received operational records & patrolling data from Mr. Tahir Anjum; analysis and validation are currently in progress.
- **Scoring & KPI Logic:** Structuring calculation models for SLA compliance, CMR/PMR resolution, patrolling (TPC/POI), and team rankings.
- **Executive Scorecard View:** Designing unified KPI dashboard layout for weekly management review upon completing calculations.

◆ FO Route Survey Application — ◆ UPDATES & RESERVED

- **Reserved for Next 7 Days:** I will be reserved for the next 7 days dedicated for DCP operational tasks, alignment, and technical delivery.
- **Ongoing QA & Stationing:** Continuous survey alignment checks, ROW utility classification, and highway mapping across active sections.
- **Production & Field Support:** Supporting technical survey teams with real-time KMZ exports, coordinate mapping, and database backups.

◆ IT Infrastructure & Asset Governan — ✓ ON TRACK

- **Centralized Cloud Shared Folders:** Structured OneDrive departmental folders with role-based access; pending final approval from Engr. Mounir.
- **Asset & Telecom Custody Audit:** Active tracking maintained across 77 hardware units (73 in use, 4 in office stock) and 50 active telecom SIM lines.
- **Daily Corporate IT Support:** Continuous meeting room AV maintenance, workstation troubleshooting, and user security assistance.

IT Assets & Telecom Inventory Dashboard

MVS & PARTNERS

MVS ASSET MANAGEMENT SYSTEM
