MVS ICT & Telecom

Weekly Presentation

Presenter: **Danish Akbar**
Position: **IT Support**

Key Deliverables & Tasks Completed (Week 43)

◆ Sales Pipeline & Project Tracking

✓ COMPLETED

- **Pipeline & Milestone Architecture:** Restructured into Pipeline & Projects sheets; added multi-phase invoicing milestones.
- **Validation & Closing Logic:** Linked Quotation-to-Decision status & enforced 5-10 days Expected Closing rule (per GM).
- **Automated Technical Reporting:** Added Technical Report status column with auto-updating Invoice Status logic.
- **Executive KPI Charts:** Integrated dynamic PO Realization & Cash Flow milestone charts with live formula lookups.

◆ MVS IT Asset Inventory Maintenance

✓ COMPLETED

- **New Hardware Enrollment:** Registered newly assigned laptops and integrated them into the active tracking system.
- **Data & Specs Enrichment:** Updated missing technical details, specifications, and serial records across existing devices.
- **Peripherals & Accessories Allocation:** Logged company laptop bags and peripheral custody for team members.
- **Weekly Custody Verification:** Audited active device allocation across Main Office and projects to reflect live status.

◆ FO Route Survey Application (DCP-1)

✓ COMPLETED

- **KMZ Automation & Coordinates:** Integrated coordinate picking and automated KMZ export tools for ILA sites.
- **Route & Segment Realignment:** Re-stationed Route 05 & 2R sections; chained 189 segments (R1-05 to Spark).
- **Calculation Discrepancy Fix:** Resolved route survey export length variance and recalculated with full data protection.
- **Command-Line System Backup:** Downloaded full ~1.8 GB production database backup via CLI prior to updates.
- **Site Swaps & Production Sync:** Audited site naming swaps (r5-22 to r5-26) and deployed migrations via Git.

◆ IT Support & Corporate Admin Deliverables

✓ COMPLETED

- **Corporate Quotation Terms:** Updated official sales PDFs (Sales Rep Nasir Qazi, 100% bank transfer terms).
- **Official MVS Letterhead CVs:** Standardized multiple engineering CVs onto official corporate letterhead.
- **Quotation Product Media:** Updated official quotation document by embedding 15 product images and specifications.
- **Office IT Infrastructure:** Configured meeting room Bluetooth audio and automated executive presentation decks.

IT Assets & Telecom Inventory Dashboard

MVS & PARTNERS

MVS ASSET MANAGEMENT SYSTEM
